The Shaw Festival Hit!

MIDDLETOWN

November 12 – December 1, 2018

Streetcar Crowsnest Theatre, 345 Carlaw Ave., Toronto

Middletown explores the universe of a small American town. As a friendship develops between longtime resident John Dodge and new arrival Mary Swanson, the lives of the inhabitants of Middletown intersect on a journey that takes them from the local library to outer space. Shaw festival's hit production will feature the original cast: Ben Campbell, Moya O'Connell, Sara Topham, Grey Powell, and Jeffrey Meadows. Will Eno's surreal, moving, and comedic response to Thornton Wilder's Our Town is a modern American classic.
